

AFFEW Meeting December 11, 1997 7:00 P.M.

Pat Willick's home

Present: Pat Willick, Dave Hall, Sara James, Julie Johnson

Absent: Maggie Blain, Larry Kivela, Keith Keegstra

We approved a letter written by Dave in answer to the enclosed Public Forum notice published in the Ludington Daily News by Barbara Bernier.

Julie read a letter written by Sue Hogenson to be published in the Ludington Daily News in response to a Public Forum notice written by Del Mikolajczak from Manistee.

Sara brought the video of the Gas & Oil Safety Forum which AFFEW sponsored on December 2 at the High School Library. Pat will bring it to the Chamber of Commerce to be aired on Channel 12.

We discussed the possibility of planting wildflowers in the median of AFFEW's adopt-a-highway section. Julie will ask M=Dot to see if this is a possibility.

Dave gave the treasury balance of \$3,571.79.

Dave mentioned that camp Douglas-Smith has been sold to a private individual who desires to keep it as a camp. Would it be possible to have an environmental camp there someday?

Pat announced Christmas tree recycling dates in Ludington and Scottville. Sara offered to send thank you notes to all those who helped with the Gas and Oil Forum.

M Meetings adjourned 9 PM
