

Earth Day Mtg 2/16/05

Green Team just getting started this yr so start entirely up & running. Jeff suggested inviting them to join us rather than them feeling they'd have to host it

w/
booths
or
specific
events
like Nature
Hike.

* See if we can do booth at LHS rather than WSEC

* More on Nature/Sunset Hike + ^{ecumenical} worship w/ several religions -

We can still contact different religious leaders 2-5 mins

* Parade - washed-up balloons to decorate

Need permit to close Lud Ave - Mary W will get it -

Office to LHS - may just be on sidewalk

* Pre-parade - mask/sign-making led by Julie at WSEC

* Letse people/orgs to invite for various activities
