Gourmet Mushrooms, Inc.

Hello and welcome! We here at Gourmet Mushrooms, Inc., are very excited to have your group come and tour our facility. As this is a working farm, there are some guidelines that we ask our guests to follow to ensure we maintain proper guest and food safety.

1. No food or drink allowed in the facility at any time.
2. Guests will be required to wear hair and/or facial hair nets in designated areas.
3. Please leave all personal items such as backpacks, purses, etc. in your vehicle.
4. No clothing with glitter, beads, sequins, or other components that may fall into the mushrooms.
5. Please remove all jewelry before entering the facility.
6. No strong perfumes or fragrances.
7. All guests must wear close-toed shoes that are clean of debris. High heels are not permitted due to risk of slipping.
8. Do not touch mushrooms or equipment.
9. Please do not smoke or vape within 50 feet of the facility.

Please note that anyone who does not comply with the tour guidelines may not be permitted to tour the facility.

Let us know if your group has any questions or concerns. We look forward to having you!
